mercial Club,  
**July 23rd.**

Plenty of ammunition on the  
grounds.  
Bring your gun and join in  
the sport.

**T. F. BRANNON,**  
Manager.

**The Purest Made.**

Lion export bottled beer is the best  
known spring tonic, brewed from pure  
malt, under the most hygienic process  
known to modern science. Invalids  
and convalescents will find it invaluable  
for building up lost strength. Stop in  
and try a refreshing glass, which  
speaks for itself, or order a case by  
phone.

**LIVE STOCK AND CROP NOTES**

—Hardin Field, of Woodford county,  
sold to T. W. Duckworth, of Jessa-  
mine, 141 lambs at 9 cents a pound,  
109 of them averaging 87 pounds.

—Minor Heir, a green pacer, Friday  
set a new world's mark when he reeled  
off the first two heats of the 2:25  
pace in 2:01½ and 2:01, the fastest two  
heats ever paced in a race.

—Cattle are in fine condition and are  
weighing out better than a year ago.  
C. C. Clarke weighed a bunch of 40 ex-  
port steers Friday which he had sold to  
H. S. Caywood at 6 cents per pound.

—The wheat in Montgomery county  
is not up to expectations—about 12  
bushels. Resin Howell has a 45-acre  
field (Mrs. Stoner's land) that yielded  
25 bushels. This is the best reported.

—The trotting gelding Highball,  
driven by Geers in a free-for-all at  
Peoria, last week, trotted the second  
heat in 2:03½. This is claimed to be  
the fastest mile record ever made by a  
gelding.

—Mr. C. C. Clark sold to R. B.  
Hutchcraft 9,000 bushels of blue grass  
seed for August delivery at 75 cents  
per bushel and 1,200 bushels of wheat  
to the same party at 85 cents per  
bushel.

—Jonas Weil, of Lexington, made  
his first shipment of export cattle last  
week when sixteen car loads of 1,500-  
pound cattle from the farm of Thomas  
Henry Clay left Paris enroute for  
Europe via Boston.

—Thomas Metcalf, of Danville, sold  
to Knight & Son, of Louisville, 60 head  
of cattle at \$3 per hundred, forty of  
which he delivered yesterday, which  
weighed 1,370. The remaining twenty  
will be shipped in August.

—The biggest price ever received for  
weanling mule colts in years was paid  
last week when Charles C. Clarke sold  
to Thomas Robinson, of Bethel, two  
siding mule colts for delivery Oct.  
1 for \$150 per head. Both colts were  
sired by J. W. Young's Jack and are  
said to be the best two mule colts pro-  
duced in Bourbon for a third of a cen-  
tury.

**Famous Steer Dead.**

The famous Massengale-Rice steer of  
Missouri is dead. The contesting  
parties, who live in Charlton county,  
that State were in law seven years try-  
ing to decide who this steer belonged  
to. There were nine jury trials and  
one case before the Supreme Court.  
Over \$10,000 was spent in litigation.  
Mr. Rice was finally awarded the steer  
and the burden of the costs fell upon  
Mr. Massengale. It amounted to about  
\$7,000. The steer was about eleven  
years old and weighed about 2,200  
pounds when it died. The steer died  
on Mr. Rice's farm at Lagonda where  
it was calved and where it has been  
kept from that time.

**Don't Forget the Big Picnic.**

the Fair Grounds on July 23, and don't  
forget to bring your basket of dinner.

the celebrated Lion Export Bottled  
Beer. Made under the most hygienic  
process known to modern science.  
Always fresh on draught or can  
promptly fill any order for it by the  
case.

**Summer Vacation Trip.**

Judge Wyatt's summer vacation  
trips always give satisfaction. They  
are not to be compared with those con-  
ducted by some inexperienced in the  
business. He advertises in this issue  
one to Atlantic City and one to Niagara  
Falls. Investigate them and inquire  
of any of the hundreds of those of this  
county who have been with him on his  
previous tours.

**Railway Traffic Improving.**

The rapid recovery of railroad traffic  
has been the means of restoring work  
to idle employees, the number of men  
now at work being at least 25 per cent  
greater than three months ago. Cash  
receipts for the month of June for  
both freight and passenger service at  
the local offices of the Louisville &  
Nashville railroad shows an increase  
over the same month of 1917, and a  
feeling of confidence prevails that a  
season of great prosperity is near at  
hand.

three nights of this week. Two good  
vaudeville acts, a new illustrated song

Act 1—Moving pictures.  
Act 2—John W. Foster, German  
comedian.

ally a tired feeling, nature needs an
